

Remarks

Applicant respectfully requests the Examiner to study the remarks submitted with the Amendment Accompanying the RCE, which explains why the application should be in condition for allowance or appeal, despite the final Office Action dated April 16, 2004. The "new" claims do not relate to the restricted division, which addressed process and method of doing business claims. While the limitations do not exactly match any specific previously submitted claim, in most instances the same distinctions argued should suffice to allow those claims as well.

If the Examiner has any further questions, please feel free to call applicant's undersigned attorney.

Respectfully submitted,

ANDREW DIRIENZO
